

5th September 2024

Dear Parents and Carers

Would you like to be a member of our newly created Parent Forum? If so read on...

What is the Parent Forum?

Establishing regular, open communication and consultation with parents is important to us and we know that setting up the Parent Forum will help us to achieve this. The purpose of the Parent Forum is to provide an opportunity for parents and staff to discuss issues of mutual interest, to promote new ideas and to improve communication between parents and the school.

The Parent Forum will be a partnership between parents, staff and governors who have the shared aim of improving communication, ensuring every pupil can enjoy learning in a secure environment and helping every child reach their potential.

Our key objectives:

To improve communication and understanding across the partnership

To provide representative parents and carers with a regular session to discuss educational matters with the school

To enable parents to contribute to the development of the school

To enable parents to ask questions and provide constructive comment

To enable parents to communicate generic issues of concern (it is not intended to replace parental communication with teachers or the Head Teacher about individual children)

To enable the school to have an effective sounding board for new ideas and developments.

Parent Representatives

In order to establish an effective Parent Forum we would like to have parent representatives in every year group. If you wish to be considered for this position please contact Mrs Edwards via Class Dojo. Parent Forum meetings will usually take place on the first Friday of each half term, straight after Celebration Assembly and by offering to be a representative you are confirming that you can attend these meetings. Our first meeting will take place on Friday 13th September

If you have any agenda items you would like to raise for our first meeting please contact Mrs Edwards.

Yours sincerely

Miss J Wilson

Head Teacher
